### **Joint Statement Regarding a Final\* Possible Cash Offer for Renewi by Macquarie**

In response to press speculation, Renewi plc ("Renewi") and Macquarie Asset Management, on behalf of one or more funds or entities managed by Macquarie Infrastructure and Real Assets (Europe) Limited (including as portfolio manager) and its affiliates and any relevant subsidiaries of such funds or entities ("Macquarie"), announce that they have reached preliminary agreement on the financial terms of a potential acquisition of the entire share capital of Renewi by Macquarie, under which Renewi shareholders would be entitled to receive:

870 pence per Renewi share in cash.

The financial terms of the potential acquisition are final\* (the "Final Possible Offer"). The Final Possible Offer represents a premium of 57% to Renewi's closing share price of 554 pence on 27 November 2024 (being the latest business day prior to this announcement), and a premium of 41% to Renewi's 3 month volume weighted average share price to 27 November 2024 of 615 pence.

This Final Possible Offer follows a number of approaches by Macquarie to Renewi.

The announcement of any firm offer under Rule 2.7 of the Code is subject to the satisfaction or waiver of several customary pre-conditions, including the completion of confirmatory due diligence.

If the Final Possible Offer is implemented, under its ownership, Macquarie intends to:

- provide support and capital to Renewi to further implement its current strategy as a pure-play waste-to-product company for the benefit of all its stakeholders, including employees, customers and other partners across all the geographies where Renewi operates;
- support the ongoing transformation programmes at Renewi, including OneRenewi;
- support Renewi's objective of achieving innovation-led growth by providing long-term and flexible access to capital;
- maintain a prudent and sustainable leverage structure; and
- support Renewi's existing sustainability vision and targets, which are well-aligned with Macquarie's net zero commitment;
- support the Renewi management team and workforce, who are critical in achieving the growth ambitions of Renewi; and

- o fully safeguard the existing employment rights, including pension rights, of all employees, and maintain existing employee consultation structures.

\*The financial terms of the Final Possible Offer are final and will not be increased, save that, in accordance with Rule 2.5(a)(ii) of the Code, Macquarie reserves the right to revise and increase the financial terms of the Final Possible Offer where a third party announces a possible offer or firm intention to make an offer for Renewi on better terms than the Final Possible Offer

#### *Shareholder support*

In its approach to Renewi in September 2024, Macquarie stated that it had engaged with three of Renewi's largest shareholders – Coast Capital Management LLC, Avenue Europe International Management LP (acting by funds and entities that it advises) and Paradise Investment Management LLC – who collectively own, control or otherwise have an interest as investment manager in approximately 19% of Renewi's issued ordinary share capital. Macquarie further stated that these shareholders have entered into binding irrevocable undertakings in respect of the Renewi shares over which they each have voting control, to vote, or procure a vote, in favour of a firm offer at a price consistent with the Final Possible Offer. As a result, Macquarie has received irrevocable undertakings in respect of a total of 12,135,280 Renewi shares representing, in aggregate, approximately 15.1% of the issued ordinary share capital of Renewi on the last business day before the date of this announcement, details of which are provided in Appendix A. A copy of each irrevocable agreement will be published on <https://www.macquarie.com/uk/en/about/news.html> by not later than 12 noon on the first business day after the date of this announcement.

#### *Next steps*

The Board of Directors of Renewi (the "Board") carefully reviewed the Final Possible Offer from Macquarie with its financial and legal advisers.

The Board remains confident in Renewi's prospects as a pure-play market leader in Europe's most advanced recycling markets. The Board is also confident in Renewi's strategy and execution plan to deliver a step change in margins and cash flow. That said, the Board has also carefully balanced the likely value creation from the continued delivery of Renewi's strategic plan against the various risks faced by Renewi, the strong value crystallisation in cash at a meaningful premium to the current Renewi share price and the views of Renewi shareholders.

Accordingly, the Board of Renewi has concluded that the proposal outlined above is at a value that the Board would be minded to recommend to Renewi shareholders, should a firm intention to make an offer pursuant to Rule 2.7 of the Code be announced on such financial terms, subject to the agreement of all other terms and conditions of an offer. As such, the Board has agreed to provide Macquarie with access to confirmatory due diligence.

Renewi shareholders are advised to take no action in relation to this matter. Further announcements will be made when appropriate. There can be no certainty that any offer will be made.

For the purposes of Rule 2.5(a)(i) of the Code, this announcement has been made with the consent of Macquarie. Macquarie reserves the right to waive any pre-conditions to announcing an intention to make a firm offer pursuant to Rule 2.7 of the Code.

In accordance with Rule 2.5(ai) of the Code, Macquarie reserves the right to vary the form and/or mix of the offer consideration and/or introduce other forms of consideration. Macquarie also reserves the right to make an offer on less favourable terms than the Final Possible Offer:

- i. with the consent of the Board of Renewi;
- ii. if a third party announces a possible offer or firm intention to make an offer for Renewi at a lower price than the Final Possible Offer; or
- iii. if Renewi announces a Rule 9 waiver transaction pursuant to the Code or a reverse takeover.

Macquarie will reduce the terms of the Final Possible Offer to take account of the value of any dividend or any other distribution or return of value to shareholders which is paid, or becomes payable, by Renewi after the date of this announcement.

In accordance with Rule 2.6(a) of the Code, Macquarie is required, by not later than 5.00 p.m. (London time) on 26 December 2024 (being 28 days after this announcement), to either announce a firm intention to make an offer for Renewi in accordance with Rule 2.7 of the Code or announce that it does not intend to make an offer for Renewi, in which case the announcement will be treated as a statement to which Rule 2.8 of the Code applies. This deadline can be extended with the consent of the Panel on Takeovers and Mergers (the "Panel") in accordance with Rule 2.6(c) of the Code.
