

CONDITIONS FOR ACCEPTANCE

Bulky municipal waste

DESCRIPTION

Any waste generated in private households consisting of larger objects which after sorting are eligible for recycling or incineration.

Permitted

Any combustible waste from private households with dimensions exceeding 60 x 60 x 60 cm
If the dimensions are smaller than 60 x 60 x 60 cm, this is referred to as combustible municipal waste.

- Sofas, cabinets, carpets/rugs, plastics, foil, paper and cardboard, wood, metals and cables.
- Organic residues (food), cans and/or glass <5 v%

Prohibited

- Substances causing odour nuisance
- Burnt waste
- Chemicals or other substances that may cause damage to human, animal or plant health, or harm to the soil
- Materials containing asbestos or suspect asbestos-containing materials
- Explosive waste, fireworks and flares
- Burning or smouldering waste or substances which, when in contact with water, release flammable gases and/or ignite
- Waste materials that are difficult to process because of hygienic, aesthetic and/or technical reasons, such as medical waste, agricultural foil, mattresses, car tyres, insulation material (fiberglass, mineral wool, polystyrene).
- Radioactive substances and substances emitting ionizing radiation and materials that have been exposed to such radiation and can be expected to emit such radiation
- Partially filled drums and closed drums, barrels, boxes and other packaging material whose contents cannot be directly inspected
- Pressurized cylinders, such as laughing gas canisters
- Food processing waste (swill), waste from meat and poultry or fish processing, carcasses, slaughterhouse waste and faeces
- Sand, soil, stones, concrete and rubble
- Liquid waste and pasty waste such as (partially) filled paint cans or sealant cartridges
- Dusty waste and waste causing dust nuisance
- Large, solid non-combustible materials
- Waste that can cause streak or wick formation, such as video tapes, film rolls and film waste
- Bundled materials, such as bales of paper, foil or plastics
- White and brown goods, such as refrigerators and other electrical apparatus
- Batteries and car batteries

** If, upon delivery, deviations are found from the described conditions, Renewi Nederland B.V. reserves the right to refuse the consignment in question or to accept it according to amended conditions.*

*** Your obligation and opportunity to separate can be found in the National Waste Management Plan (LAP)*
